

Watch your piggy bank “grow” with *benefits that fit.*

A Flexible Spending Account (FSA) is a benefit plan which allows employees the ability to set aside pre-tax dollars to be used for out of pocket medical, dental and vision expenses.

As an Employee what are the advantages to participating in a Flex Spending Account?

- Pre-tax dollars are used to fund the account
- Savings account for out of pocket medical, dental and vision expenses
- Flex Benefits Debit Card - funds available at the point of service
- Secure online account access

As an Employee what are the benefits to using the Flex Benefits Debit Card?

- Employee money more accessible - immediate access to FSA funds
- Eliminates out of pocket costs at the time of service - simply swipe card at point of sale
- Card provides electronic substantiation - reduces paper submissions
- Full election amount available on first day of plan year - payroll deducted equally throughout the plan year
